

HOW BILKINS GOT AHEAD OF TWO "NEXTS."

GOING TO CATCH IT ANYWAY.

1. "Seems kind of full. But say—"

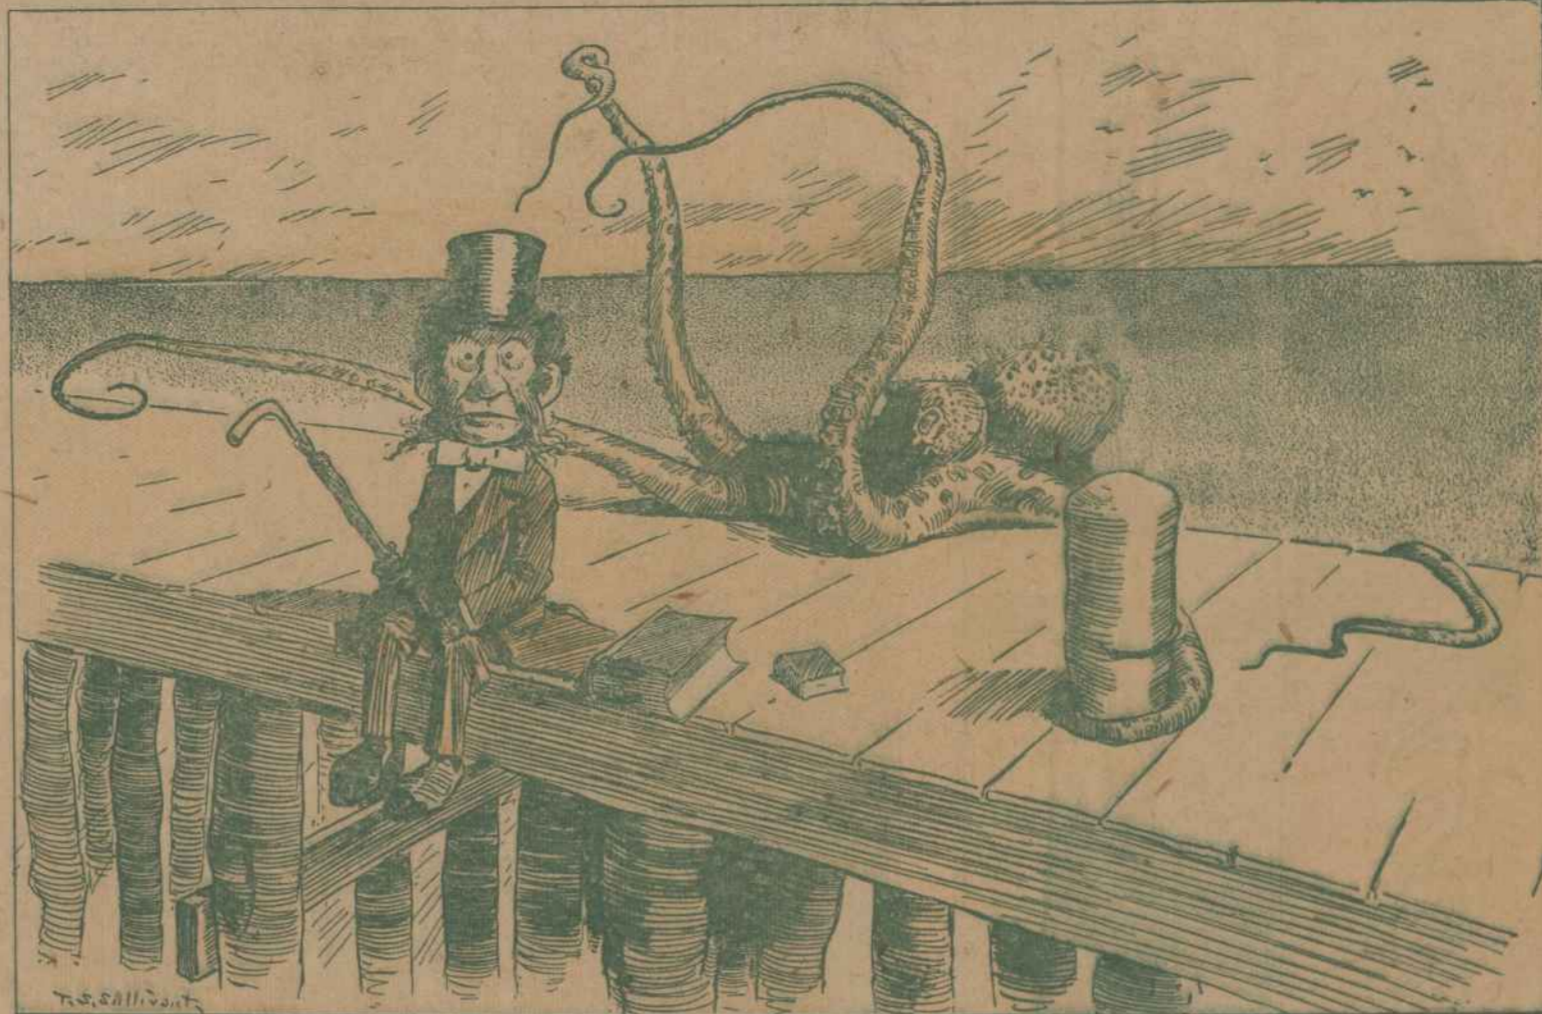

2. "Fire! Fire! De roof's caving in!"

3. "I hope they won't catch cold!"

4. "That was kind of easy."

THE PARSON (in a burst of confidence): "If I only had a hook and line! I'll bet I could catch something!"

Highly Appropriate.
QUIZZER—I wonder why "watch" is such a favorite term on ship?
GUYER—Because the ship's always in soak.

TWO VIEWS OF IT

Charity.
JAWER—"Charity begins at home."
JANGLE—Yes, and even then a man can't help getting mad at his wife sometimes.

1. "Hi there, you chump! Don't you know enough not to rock a boat?"

2. CHUMP: "Who's getting this kid to sleep, you or I?"
